MEMORANDUM FOR THE CHIEF, CLASSIFICATION REVIEW DIVISION, CENTRAL INTELLIGENCE AGENCY

SUBJECT: Request for Declassification Review

During the systematic review of all classified Office of the Secretary of Defense (OSD) documents over 20 years old, the Declassification and Historical Research Branch, Records Management Division, Directorate for Correspondence and Directives, Washington Headquarters Services, turned up the attached document(s).

The documents were either originated by your agency, contain information for which your agency is the classification authority, or are otherwise of interest to you.

It is therefore requested that your agency review the documents and recommend declassification, continued classification at the present or lesser level of classification, and/or review by other agencies. If your agency is recommending continued classification, in accordance with Paragraph 3-401, Executive Order 12065, it is requested that an authority for continued classification be specified, along with a date for the next review.

The time permitted by Executive Order 12065 to reach the point where all OSD documents over 20 years old have been reviewed, and the large volume of over 20 year old OSD documents, make it necessary to request your response within 60 days. In your response, you may wish to provide guidance with regard to what categories of information you do and do not wish to have referred to you in the future.

Your assistance in effecting this review will be most appreciated. Please return the documents to Mr. Brian V. Kinney, Chief, Declassification and Historical Research Branch, Records Management Division, Washington Headquarters Services, Room 1D517, Pentagon, Washington, D.C. 20301, upon completion of your review.

Without attachments, this memorandum is UNCLASSIFIED.
